

ARSEN PAVLOV

Ukraine Kyiv komatsu98728@outlook.com

As a Full-Stack developer, specialized in MERN, MEVN, MEAN stack and blockchain technology over 8+ years, i have already developed many websites and dApps.

I have sens and IT skills can implement your company's idea to real Reality for your business.

If you are looking for someone to accomplish your idea with high responsibility, please don't hesitate to work with me.

My multi tech stack will be served for your succeed business.

My Strong Skills:

-Svelte

-React(Javascript and Typescript) / Redux / Hooks / Functional Component / ES 6-8 and Next.JS/

-Angular(Angular + NgRx + Typescript) / Version Sensitive

-Vue(Vue.js, Vuetify, VueX, Nuxt.js)

- Storybook / Chakra UI / Material UI Libray

-Node.js(Nest.js) / ExpressJS / MongoDB / SQL / Restful API

-Pthyon/Django/Flask/FastAPI/MySQL/MongoDB

-Responsive clean UI by strong skills in HTML/CSS(Sass)/BS/TailwindCSS and high quality of Code.

-Fast understanding of requirement and delivering result in time.

I always bringing fresh idea during development and make it world-class.

I can work full time on your timezone and Providing high quality and the best result to my client is my duty.

I will do my best for the greatest result.

During the days, I have worked without stop and I get best experience and success through my business for my clients.

Also Recently The Bkchain tech is rising up in the world. So i jump to this tech stack with my best.

So I have good understanding about the blockchain/SmartContracts/Solidity/Web3.js/Crypto Exchange/NFT Marketplaces and I have built many bApps so far.
