CAREER SUMMARY

I have 10+ years experience of .net programming and my core skills contain following technologies .Net Core, C#.Net, Winforms, WPF, WebForms, WebAPI, HTML5, Bootstrap, SSRS, C/C++, Reverse Engineering.

Programming desktop programs in C# and VB.Net (both WinForms and WPF) and websites as either ASP.Net, MVC 5 or single page Elm applications. I have worked heavily with MS SQL.

Have extensive experience writing reports for SQL Server Reporting Services(SSRS) and RDLC reports for web and desktop applications.

Reverse-engineering is one of my core skills and have good experience with it.
